

CURRICULUM VITAE

Name Ahmed Sami Abdel Rahman
Profession Architect, Urban designer & planner
Date of Birth 07/06/1980
Nationality Egyptian

1-KEY QUALIFICATIONS:

Ahmed Sami is highly qualified in teaching, research, training and practices of urban development planning, urban design and architecture. Ahmed Sami has extensive experience in sustainable development with particular emphasis on waterfront development, local development, coastal planning and public participation.

Ahmed has been teaching at Ain Shams University since 2003 as a demonstrator and became a lecturer assistant in 2006, and then a professor assistant at 2011. He has been involved in teaching Urban Planning, Urban Design, landscape and Architectural Design for undergraduates. In addition to teaching experience in other colleges like (AAST) Arab academy for science & technology, (MIU) Misr International University, El-Sherouk academy & Modern academy for science & technology.

He was involved in many urban design & urban planning projects where he has such experience during his work in PUD (Planning and Urban Development) Consulting firm, which has been implementing mega planning & urban design projects in and outside Egypt, besides his work in other consulting firms during the five since his graduate. Ahmed Sami was involved also in designing university buildings, shopping, residential and office complexes and water front projects.

He has been involved in adopting terms of reference for “City entrances specialized committee” during his work as an assistant in the National Urban Landscape Agency – Ministry of culture.

Moreover, He has participated as a team leader assistant in the implementation of the “Urban Sector Profile Study” (USPS) research action-oriented project sponsored by UN-HABITAT both in El-Mansoura and Tanta cities. The purpose of the Regional Urban Sector Profile Study is to contribute to urban poverty reduction policy development at local, national and regional levels in the African and Arab States regions. This has been undertaken through a broad-based participatory approach for the assessment of needs and response mechanisms as a contribution to the implementation of the United Nations Millennium Development Goals (MDGs).

Ahmed Sami has participated as an urban planner & team leader assistant in implementation of Strategic Planning of Small Cities Program sponsored by UN-HABITAT for Qowesna city, Sirs El-layan and Menouf city.

In addition, he has participated in the national project of "Preparing the Guidance Physical Plans for the Egyptian Villages" sponsored by the GOPP in many villages, also he has Participated in

the project of " Preparing the General Strategic Plan for the Egyptian villages", in addition to his participation in the project " Preparing the General and detailed Strategic Plan for the Egyptian villages" sponsored also by the GOPP.

2-PRESENT POST:

- Assistant Professor in Urban Planning Department, Faculty of Engineering, Ain Shams University since 2011.
- Visiting lecturer at AAST (Arab academy for science & technology) – Department of Architecture since 2011.
- Visiting lecturer at MIU (Misr International University) – Department of Architecture since 2011.
- Lecturer assistant in Urban Planning Department, Faculty of Engineering, Ain Shams University since 2003.
- Visiting lecturer assistant at AAST (Arab academy for science & technology) – Department of Architecture since 2005.
- Architect & Urban planner at **PUD (Planning and Urban Development)** Consulting firm since 2003.

3-OTHER POSTS:

2007 till present: Urban Planner & Team leader assistant in implementation of Strategic Planning of Small Cities Program sponsored by UN-HABITAT.

2006 till 2007: Member in specialized committee for adopting TOR for city entrances - the National Urban Landscape Agency – Ministry of culture.

Languages : Arabic Mother Language
Fluent English

Computer Knowledge: very good capacity in
- AutoCAD (2d & 3d).
- Adobe Photoshop.
- Microsoft office.
- 3d max (modeling & animation)
- Geographic information system (arcview & arcinfo).

Mailing Address : 19 Taha Hussein St. Elnozha Elgedida - Heliopolis,Cairo

Telephone : (h) 02 26 828 489 (m) 010 47 33 883

E-mail : archi.sami@gmail.com

4-ACADEMIC QUALIFICATIONS:

- 2010** Ph.D. (*Urban redevelopment for waterfronts of metropolitan cities, The case study of Nile River in Greater Cairo Region*), Urban Planning Department, Faculty of Engineering, Ain Shams University
- 2007** Ph.D. Preliminary studies, Urban Planning Department, Faculty of Engineering, Ain Shams University
- 2006** M.Sc. (*Analytical study for activities related to river sides in G.C.R.*) Urban Planning Department, Faculty of Engineering, Ain Shams University
- 2003** B.Sc. in Architecture, urban planning department, Faculty of Engineering, Ain Shams University (Excellent with honor degree and excellent grade for project – First on Urban design & planning department class , First on Architecture department class)
-

5-TRAINING EXPERIENCES:

- 2007** Preparing university staff member course, Ain Shams University.
- 2005 - 2006** Courses in communication and presentation skills, Credit Hours, New Approaches in Teaching, Using Technology in Teaching and Profession Moral Constitution, Learning along whole life, thinking skills, Quality assurance, Scientific research methods, within project of raising capacity of university staff members funded by the EU.
- 2005** "Introduction to programming with ArcObjects" organized by GISCON Geoinformatik project under the TEMPUS Program – Faculty of Engineering – Ain Shams University.
- 2004** "GIS Basic Course" organized by NCGIS project under the TEMPUS Program – Faculty of Engineering – Ain Shams University.
- 2004** "ArcGIS I & II" organized by NCGIS project under the TEMPUS Program – Faculty of Engineering – Ain Shams University.
- 2002** "Introduction to GIS & its application in urban planning & land administration" organized by Global Geobits, Osman Group – with coordination with Faculty of Engineering – Ain Shams University.
- 2002** Organizing the International Architecture Competition of the Grand Egyptian Museum in Giza as assistant (sponsored by UNESCO & under the patronage of the UIA), the world's largest museum of Egyptology, which attracted more than 1700 competitors from 103 countries.
- 2001** Training in The Arab Contractors, Nasr City branch, Cairo
- 2000** Courses for "3D studio Max core level" at YAT Education Center, Cairo
- 2000** Courses for "AutoCAD" at faculty of Engineering, Ain Shams University
-

6-RELEVANT DEVELOPMENT ACTIVITIES

- 2007 till present** Team leader assistant team for preparing the strategic plan for Qowesna city and Menouf city. managed by UN-Habitat and GOPP
- 2006** Team leader assistant for the implementation of the “Urban Sector Profile Study” (USPS) research action-oriented project sponsored by UN-HABITAT both in Menouf and Qowesna cities.
- 2004** Team Member in the National Committee of Urban Landscape
- 2005–2006** Member in “City entrances specialized committee”, the National Urban Landscape Agency – Ministry of culture.
-

7- WORKING EXPERIENCE:

2005	Guidance Physical Plan for shobar village	(CUPUD)
2005	Guidance Physical Plan for kafr elwekala village	(CUPUD)
2005	Guidance Physical Plan for Raas Elkhaleg village	(CUPUD)
2005	Guidance Physical Plan for Shony village	(CUPUD)
2005	Guidance Physical Plan for Mahelt Marhom village	(CUPUD)
2005	Guidance Physical Plan for Jazeret seoad village	(CUPUD)
2005	Guidance Physical Plan for Sewada village	(CUPUD)
2004	Guidance Physical Plan of Kafr Ayoub Soliman village	(CUPUD)
2004	Guidance Physical Plan of Awlad seif village	(CUPUD)
2004	Guidance Physical Plan of Salhaghar village	(CUPUD)
2004	Guidance Physical Plan for Beshbyesh village	(CUPUD)
2004	Guidance Physical Plan for Karansho village	(CUPUD)
2004	Guidance Physical Plan for Kafr elmonshyek Abo Hamar village	(CUPUD)
2003	Guidance Physical Plan for sandbast village	(CUPUD)
2003	Expectant trespassing on Agriculture land (50 of Egyptian villages)	(CUPUD)

In addition to many (residential) projects that Ahmed Sami had been involved in design plus working drawings during his work in (PUD) since his graduation at 2003 till present.

8- PRIZES:

2008 Architecture design competition for 9 residential unit in Obour city held by Egyptian engineering syndicate **(Honorable prize)**

9-TRAINING AND TEACHING ACTIVITIES:

2003 – 2006: Demonstrator – Urban planning & design department, Faculty of Engineering, Ain Shams University

2006 - 2010: Lecturer assistant – Urban planning & design department, Faculty of Engineering, Ain Shams University

2011 till present: Assistant Professor– Urban planning & design department, Faculty of Engineering, Ain Shams University

2004 - 2007: Lecturer assistant – Modern Academy for Science & technology.

2005 – 2010 : Lecturer assistant – Arab Academy for Science & technology.

2011 till present: Lecturer– Arab Academy for Science & technology.

2011 till present: Lecturer– Misr International University.

Assistant Professor of following courses for the under-graduate student at Urban Planning & design department, Faculty of Engineering, Ain Shams University

- ***Urban planning***
- ***Urban design***
- ***Urban landscaping***
- ***Architecture design***

Lecturer of following courses for the under-graduate student at Arab Academy for science & technology

- ***Site planning & Housing***

Lecturer of following courses for the under-graduate student at MIU (Misr International University)

- ***Computer graphics (AutoCAD 2D)***

Lecturer assistant of following courses for the under-graduate student at Urban Planning & design department, Faculty of Engineering, Ain Shams University

- ***Urban planning***
- ***Regional planning***
- ***Urban design***
- ***Architecture design***
- ***Working drawings***
- ***Landscape***
- ***Urban landscape***
- ***History of planning***
- ***Geographic information system (GIS)***

Lecturer assistant of following courses for the under-graduate student at Modern Academy for science & technology

- *Urban planning*
- *Regional planning*
- *Architecture design*
- *Urban design*
- *Building economy*

Lecturer assistant of following courses for the under-graduate student at Arab Academy for science & technology

- *City planning*
- *Urban design*
- *Architecture design*
- *Visual studies (shade, shadow & perspective)*

10-CONFERENCE ORGANIZATION AND COORDINATION:

- 2004-2005** Participation in Organizing ARUP 2006: The First International Ain Shams University Conference on Culture and Urbanism *Cairo – Egypt, Oct. 2006*
- 2007-2008** Participation in Organizing ARUP 2008: The Second International Ain Shams University Conference on Culture and Urbanism *Cairo – Egypt, Oct. 2006*
