 - Monshat Abou Omar village.
 - El Ragdya village.
 - Beltag village.
 - Sa El Haggar village.
 - El Shahidi village.
 - Kotamat El Khaba village.
 - Akyad El Bahria village.
 - Akyad El Keblya village.
 - El Amria village.
 - El Moatamadia village.

- Shobra Nbas village.
 - Nawa village.
 - Sanafer village.
 - Nawfaa village.
 - Damro El Sadat village.
- **2003-2002: Junior Architect** at the Integrated Development Group (IDG), Architectural, Urban Design and Planning Consultancy.
Residential Complex comprising three villas and a Club house, Ahmed Orabi Ranches – total floor area 3000 Sq.m.
Nefertari International schools, Ismailia Road – total floor area 20000 m2.
 - **2002 - 2006: Demonstrator** at Planning and Urban Design Department – Faculty of Engineering – Ain Shams University.

7-PUBLICATIONS

- 1- The pyramids plateau: a dream searching for survival, Tourism management magazine. (<http://ees.elsevier.com/jtma/>)
- 2- Integrating environmental strategies in the planning process in Egypt. ‘second international conference of architecture and urban planning departments- faculty of engineering, Ain Shams University (ARUP2008)
- 3- Strategic environmental assessment in land use planning – towards establishing SEA framework in Egypt.
- 4- Fayoum Oasis between Potentials and Constraints: Towards Enhancing Ecotourism in Egypt, URBENVIRON CAIRO 2011, 4th International Congress on Environmental Planning and Management.
- 5- SEA in Egypt: The Case of North-West Suez Gulf, URBENVIRON CAIRO 2011, 4th International Congress on Environmental Planning and Management.

8- LOCAL & INTERNATIONAL CONFERENCE:

ARUP 2008: The First International Ain Shams University Conference on Culture and Urbanism *Cairo – Egypt, Oct. 2008*

ARUP 2006: The First International Ain Shams University Conference on Culture and Urbanism *Cairo – Egypt, Oct. 2006*

9- National & International competitions:

October 2010: Participate in the international competition for the urban design & harmony and historic conservation of Attaba & Opera squares, this competition was proposed by national organization for urban harmony.

May 2010: Participate in the international competition (short list competition) in EMAL administrative offices & facilities competition, Taweelah, Abu Dhabi, United Arab Emirates.

10- Training courses:

May – 2010: Strategic Environmental Assessment (basic concept): I was responsible for preparing all materials and lectures beside giving five lectures in these course which was held in

HBRC, and the attendees were represented from different governorates and have a previous experience in environmental studies.

The lectures were:

Lecture 1: (Intro to Strategic Environmental Assessment)

Lecture 2: (Strategic Environmental Assessment, the process)

Lecture 3: (key elements and environmental issues for SEA process)

Lecture 4: (Integrating SEA in land use planning)

Lecture 5: (International examples for the strategic Environmental Assessment)

10-OTHER SKILLS:

Languages : Arabic (Mother language)
English (Very Good)

Computer Knowledge: Very good capacity in all Microsoft-office programs, Adobe Photoshop and AutoCAD.

Fair capacity in GIS, NVIVO and Freehand 8.
