E-mails: ymahgoub@yahoo.com
yassermahgoub@gmail.com

WORK INFORMATION

Title: Associate Professor of Architecture
Affiliation: Department of Architecture and Urban Planning, College of Engineering, Qatar University.
Work Address: CENG-Room 235, Qatar University, P. O. Box 2713, Doha, Qatar.
Telephones: Qatar: M. +(974) 33837805, O. + (974) 4403 4340, , H. + (974) 44179804
Website: <http://faculty.qu.edu.qa/ymahgoub>
E-mail: ymahgoub@qu.edu.qa

EDUCATION

1990 - Doctorate of Architecture, University of Michigan, Ann Arbor, Michigan, USA.
1978 - Bachelor of Science in Engineering (Architecture), Ain Shams University, Egypt.

Academic CAREER

2010 Associate Professor, Department of Architecture and Urban Planning, College of Engineering, Qatar University, Qatar.
1999 Associate Professor, Department of Architectural Engineering, College of Engineering, Ain Shams University, Egypt.
1999 Assistant Professor, Department of Architecture, College of Engineering & Petroleum, Kuwait University, Kuwait.
1993 Assistant Professor, Department of Architectural Engineering, College of Engineering, United Arab Emirates University, UAE.
1990 Assistant Professor, Department of Architectural Engineering, College of Engineering, Ain Shams University, Egypt.
1984 Scholarship to D. Arch. Program, University of Michigan, Ann Arbor, Michigan, USA.
1978 Demonstrator, Department of Architecture, College of Engineering, Ain Shams University, Egypt.

PROFESSIONAL CAREER

- * Member of the Egyptian Syndicate of Engineers
- * Member of the Egyptian Association of Architects
- * Senior Member of International Association of Computer Science and Information Technology (IACSIT)
- * Member of Kuwait Society of Engineers
- * Founding Members of the Kuwait League of Architects
- * Member of Council of Tall Buildings and Urban Habitat

Recent Activities

- * Member of the executive committee for the construction of the new College of Engineering building at Qatar University.
- * Technical reviewer for the Aga Khan Award for Architecture in its 11th cycle 2010.

TEACHING

Teaching Interests: Architectural Design Studios, Architectural Professional Practice, Sustainable Architecture Applications, Research Methods, Architecture and Urbanization in the Middle East, Architectural Graduation (Senior) Projects.

Architectural Design Studios all levels, including Graduation Projects, and Architectural Design Fundamentals, Basics, Visualization and Communication.

General Architecture Courses: Architectural Professional Practice, Environment and Behavior Research, Human Factors in Architecture, Architectural Research Methods, Post Occupancy Evaluation Research, Architecture in the Middle East, Introduction to Interior Design, Art Appreciation, Creativity and Innovation.

Course Development Activities:

* Developed graduate and undergraduate courses to be taught for the first time in Departments of Architecture at Qatar University, UAE University, and Kuwait University including: Architectural Design Studios, Architectural Communication, Architecture in the Middle East, Architectural Professional Practice, Graduation Project, Introduction to Interior Design, Human Environmental Factors, and Urban Planning Legislations.

E-Learning Activities:

* Uses *Blackboard™* E-learning system and the *Online Courses System (OCS)* to develop online courses. Students are using this facility to study and access their lectures, assignments, readings, grades, course announcements and other course related materials on-line.

Academic Committees Activities:

Qatar University

Curriculum and NAAB Accreditation Committee

- Responsibilities include review curriculum, establish contact with NAAB, initiated the accreditation process at Qatar University and preparation of NAAB accreditation request. Activities include:
- Preparation of accreditation request, course descriptions and faculty CVs according to NAAB format.
- Preparation of NAAB Matrix according to the 32 Student Performance Criteria.

Quality Assurance Committee

- Preparation of Program Learning Outcomes Matrix and Quality Assurance Strategy and Forms.

Design Courses Committee

- Coordinate activities of design courses teaching, projects, juries, etc.
- Developed guidelines and criteria for teaching design courses.
- Developed and coordinated the Graduation Project teaching activities and documentation.
- Development of a document titled "Guideline Document of the Architectural Design Studios at AUP" posted on the internet to be accessible to students and faculty members. (http://www.qu.edu.qa/engineering/architecture/Architectural_Design_Studios.php)

Research Committee

- Review and establish Honors Program requirements
- Organization of Research Workshop

Kuwait University

Undergraduate Program Committee (UPC), coordinator:

- Responsibilities include review curriculum, suggest modifications and changes. Updated curriculum under the supervision of NAAB to included 5 new compulsory courses that received department approvals to execute the changes in 2007-2008 academic year. Submitted the required paper work to the college and university committee to approve changes for implementation of the new curriculum.
- Established contact with NAAB, initiated the accreditation process at Kuwait University and participated in the NAAB preliminary and final accreditation visit preparations. Activities included:

- Preparation of APR, course files and exhibition.
- Preparation of NAAB Matrix according to the 37 Student Performance Criteria.
- Presentation of current program curriculum and proposed modifications.

Design Courses Committee, coordinator:

- Coordinated activities of design courses teaching, projects, juries, etc.
- Developed guidelines and criteria for teaching design courses.
- Developed and coordinated the Graduation Project teaching activities and documentation.
- Wrote a document titled "Design Courses and Studios Manual" posted on the internet to be accessible to students and faculty members. (<http://meltingpot.fortunecity.com/cameroon/84/courses/designmanual.html>)
- Graduate Program Committee member:
- Participated in the development of the Master Program curriculum and courses.

RESEARCH ACTIVITIES

Research Interests:

Globalization and Urbanization, Architectural Identity, Social and Cultural Aspects of Architecture, Environment and Behavior Research, Sustainable Architecture, Post Occupancy Evaluation.

Refereed Journals Editorial Boards Memberships

- * International Journal of Architectural Research.
- * Asian Journal of Environment-Behaviour Studies.
- * Lonaard Magazine.

Publications

Paper Published in Refereed Journals:

- * Mahgoub, Y. (2012) Paper accepted for publication in the forthcoming Open House International special issue on Urban Space Diversity: Paradoxes and Realities titled "Cultural and Economic Influences on Multicultural Cities: The case of Doha, Qatar".
- * Mahgoub, Y. (2009) Socio-Cultural Sustainability of Future Learning Environments. *Open House International* on: Shaping the Future of Learning Environments: Emerging Paradigms and Best Practices, ISSN: 01682601, Vol 34, No.1, March 2009. pp: 68-74.
- * Mahgoub, Y. (2008) The Impact of War on the Meaning of Architecture in Kuwait. Paper refereed and published in *The International Journal of Architectural Research* (Archnet-IJAR), ISSN: 19946961, Volume 2, Issue 1, pp. 232-246.
- * Mahgoub, Y. (2007) Towards Sustainable Desert Eco-Tourism in Kuwait: Learning from the Regional Experience. Paper refereed and published in *Open House International-OHI: ECOLOGES and ECO-TOURISM*, ISSN: 01682601, Volume 32, Number 4, pp. 75-82.
- * Mahgoub, Y. (2007) Cultural Sustainability and Identity: The Case of Kuwait. Paper refereed and published in *The International Journal of Environmental, Cultural, Economic and Social Sustainability*. ISSN: 1832-2077, Volume 3, Issue 1, pp.137-144.
- * Mahgoub, Y. (2007) Architecture and the Expression of Cultural Identity in Kuwait. Paper refereed and published in *The Journal of Architecture*, ISSN: 1360-2365, Volume 12, Number 2, pp. 165-182.
- * Mahgoub, Y. (2007) Hyper-Identity: The Case of Kuwaiti Architecture. Paper refereed and published in (Archnet-IJAR) *The International Journal of Architectural Research*, Volume 1 Number 1, pp. 70-84.
- * Mahgoub, Y. (2004) Globalization and the Built Environment in Kuwait. Paper refereed and published in *Habitat International*, ISN: 0197-3975, Volume 28, Number 4, pp. 505-519.

- * Mahgoub, Y. (1998) Impact of Information Technology on the Design of Schools and Classrooms. Paper refereed and published in *Engineering Scientific Journal*, a refereed Journal Published by College of Engineering, Ain Shams University.
- * Mahgoub, Y. (1998) Post Occupancy Evaluation of Elementary School Buildings in Al Ain City, United Arab Emirates. Paper refereed and published in *Emirates Journal for Engineering Research*, Volume 3 Number 1, pp. 1-12.

* Mahgoub, Y. (1994) The Use of Hypertext Systems in Architecture. Paper refereed and published in *Dirasat Hundasia*, Volume 7 Number 1, pp. 78-95.

Papers Presented and Published in Conference Proceedings:

- * **October 2011, Mahgoub, Y. (2011) Towards Eco-Tall Buildings in Doha, Paper published in the proceeding of Council of Tall Buildings and Urban Habitat 2011 World Conference, COEX, Seoul, South Korea.**
- * April 2010, Mahgoub, Y. (2010) The use of traditional architecture elements in contemporary architecture in Kuwait. Paper published in the proceeding of First International Conference for Urban & Architecture Heritage in Islamic Countries: Its role in Cultural & Economic Development, Riyadh, Saudi Arabia 23-28 May 2010.
- * October 2009, Mahgoub, Y. (2009) Modifications of Governmental Housing Projects in Kuwait, Paper presented and published in the proceeding of 2009 International Conference on Social Science and Humanities, October 10-12, 2009, Singapore (ICSSH 2009), pp. 109-114.
- * November 2007, Regional Architecture and Identity in the Age of Globalization, Tunisia, 13 - 15 November, 2007. Organized by The Center for the Study of Architecture in the Arab Region (CSAAR) In Collaboration with Department of Architecture, National School of Architecture and Urbanism, Tunis, Tunisia. Paper presented and published in conference proceedings titled: Impact of Globalization On The Built-Environment Identity In The Arabian Gulf Region.
- * February 2006, 1st Gulf First Urban Planning and Development Conference, 20 - 22 February 2006, Kuwait. Paper presented and published titled: Socio-Cultural Sustainability and Urban Development in Kuwait.
- * October 1997, Commonwealth Association of Architects and-Indian Association of Architects, International Conference on Urbanisation and Housing. Paper presented and published titled: Sustainable Architecture in the United Arab Emirates.
- * April 1994, Seminar on Islamic Architecture: Evolution and Development Workshop, The Cultural and Scientific Association, Dubai, Paper presented and published titled: Islamic Architecture in the Age of Information.
- * December 1990, Shelter and Urbanization Conference, Center for Housing and Building Research, Cairo, Arab republic of Egypt. Paper presented and published titled: Shelter and the Individual.

Paper Presented in Conference:

- * **April 2011, Cultural Aspects in Lighting Design. The Middle East 3rd Lighting Solutions Conference. 26th April 2011.**
- * December 2006, Tenth Conference of the International Association for the Study of Traditional Environments Hyper Traditions. Bangkok, Thailand, December 15-18, 2006. Paper presented titled: Hyper-Identity and Kuwaiti Architecture.
- * February 2006, 1st International Symposium on Environment, Behaviour and Society, People in Place in People, February 9-11, 2006, Sydney, Australia. Paper presented titled: Architecture and the Expression of Cultural Identity in Kuwait.
- * July 2005, IAPS-CSBE 'Culture and Space in the Built Environment Network' Social Change and Spatial Transformation in Housing Environments Under the umbrella of XXIInd UIA World Congress of Architecture UIA 2005 ISTANBUL. Paper presented titled: Socio-Cultural Sustainability of Housing Environments in Kuwait.
- * May 2004, 9th IACEE World Conference on Continuing Engineering Education, Strategy of Continuing Engineering Education for International Competence and Cooperation, 15-20 May 2004, Tokyo, Japan. Paper presented titled: "Global and Local Requirements for an Objective Evaluation System for Architectural Competence: The Case of Kuwait".
- * December 2002, Eighth Conference of the International Association for the Study of Traditional Environments (UN) BOUNDING TRADITION : The Tensions of Borders and Regions Hong Kong, December 12-15, 2002. Paper presented titled: Making Kuwait: Tradition vs. Modernity.
- * October 2002, The First Housing Conference sponsored by Kuwait Society of Engineers. Paper presented titled: Built Environmental Transformation and Building Regulations in Kuwait.
- * July 2002, THE 17th IAPS Conference - 24 – 27th July 2002 - Galicia, Spain. Paper presented titled: Globalization and Architecture: The case of Kuwait.
- * July 2001, EDRA 32/2001: Old World - New Ideas, Edinburgh, Scotland. Paper presented titled: Old Ideas in a New World: The Case of the Gulf Region.
- * June 2001, IAPS Conference: Culture and Space in the Built Environment Network, Continuity and Development trends in traditional environments, Second International Symposium of IAPS-CSBE Network, Amasya, Turkey. Paper presented titled: The Transformation of Traditional Rural Settlements in Egypt.

- * June 1997, International Housing Conference Housing In The 21st Century, Virginia Tech., Alexandria, Virginia, U.S.A. Paper presented titled: Housing Trends and Prospects of Marginalized Populations in Al Ain City, UAE.
- * May 1997, Development, Environment, and Information Systems in Arab Cities Conference, Tunisia, Tunisia. Under the Supervision of The Arab Cities Organization. Paper presented titled: Visual Pollution in the Arab Cities.
- * June, 1995 Seminar on Preservation of Architectural Heritage in the U. A. E. Dubai, UAE. Paper presented titled: Impact of Modernization on Architectural Heritage in the United Arab Emirates.
- * November 1994, Healthy Cities Conference, Dubai, UAE. Under the Supervision of The Arab Urban Development Institute, Paper presented and published titled: The Psychological Health of the Arab City.

Book Chapters:

- * **April 2010, Mahgoub, Y. (2010) "Kuwait's Future Prospects", A book chapter in "Al Manakh 2" VOLUME Magazine #23 - Al Manakh Gulf Continued, pp. 122-125.**
- * January 2009, Mahgoub, Y. (2009) KUVEYT'TEKİ KONUT YERLEŞİMLERİNDE SOSYO-KÜLTÜREL SÜRDÜREBİLİRLİK. A book chapter on Kuwait urbanization published in Turkish language in MİMARLIKLARIN PAZARYERİ XXII. UIA Dünya Mimarlık Kongresi'nden Seçme Bildiriler Ed. C. Bilsel, A. Ciravoğlu, N. Dostoğlu, A. Erim, D. İncedayı, H. Kahvecioğlu, E. Madran, S. Özaloğlu, T. Tağmat, G. Tümer, H. Yıldız, Ocak 2009, Mimarlar Odası Yayınları, Ankara. pp. 189-197.
- * May 2008, Mahgoub, Y. (2008) Kuwait – Learning From a Globalized City. A book chapter published in a book edited by Dr. Yasser Elsheshtawy titled "The Evolving Arab City", and published by Routledge, ISBN: 978-0415411561, pp. 152-183.
- * February 2007, Mahgoub, Y. (2007) The Architectural Design Studio Pedagogy: From Core to Capstone. A book chapter published a book edited by Prof. Dr. Ashraf Salam titled "Design Studio Pedagogy: Horizons for the Future." pp. 193-200.

Book Reviews:

- * April 1998, UAE University, College of Engineering, Engineer's Magazine # 16, Article titled: Architectural Standards for Elementary Schools in the United Arab Emirates.
- * July 1997, *Alam Al-Bina* Magazine, 7/97. Article published titled: Architecture in the Age of Information.
- * May 1997, UAE University, College of Engineering, Engineer's Magazine # 15. Published article titled: The Role of the Architect in Society.
- * April, 1995 UAE University, College of Engineering, Engineer's Magazine # 13, Article titled: The Architectural Style in the UAE.

Presentations and Participations:

- * **November 2011, "The Impact of Tall Buildings on Urban Habitat" CTBUH-Qatar - Regional Seminar at Qatar University, 5 December, 2011**

- * June 2011, "Shaping the Skyline by Building Tall: Creating Distinctive Landmark Developments" Tall Building Middle East Conference 19 – 22 June 2011, Doha, Qatar.
- * March 2011, "Building Performance Evaluation", Cultural Village Theater Building, Doha, Qatar, Qatar Society of Engineers, 1st March 2011
- * February 2011, Pecha Kucha Night Doha Vol. 4. "What a Waste! Recycle 4 Change" Virginia Commonwealth University – Qatar, February 13, 2011.
- * January 2011, Dohaland Seminar: The Aga Khan Award for Architecture: Voices from Doha, "AKAA Technical Review and Jury Process: A Recent Experience", January 12th 2011.
- * December 2010, at QGBC-AUP Seminar: QU-QGBC Seminar, "Recycling for a Sustainable Environment" A Chair from recycled materials", December 9th 2010.
- * May 2009, "Architecture and Identity", The American University in Kuwait, Gulf Studies Center - The American University in Kuwait, 24th May 2009
- * April 2009, Aga Khan Award for Architecture Seminar, School of Architecture and Design, American University of Sharjah, Discussant.
- * December 2007, Lecture presented in Al Qurain 14 Cultural Expo organized by The National Council for Culture, Arts and Literature titled: "Architecture and Culture."
- * December 2006, Lecture presented in Al Qurain 13 Cultural Expo organized by The National Council for Culture, Arts and Literature titled: "Kuwaiti Architecture: Absent and Present."
- * February 2006, 1st Seminar on Tall Buildings Organized by the College of Engineering, UAE University, Tall Buildings in the Gulf: Trends and Challenges, February 4th, 2006. Paper presented titled: Tall Buildings in Kuwait.
- * July 2005, UIA2005 Convention. Poster presentation titled: Bazaar ArchitectureS in Planned Cities: The case of Kuwait.
- * October 2001, The Fifth Housing Week Awareness sponsored by Kuwait Society of Engineers. Lecture titled: House Design Between Owner and Architect.
- * October 1999, 1st Arab Architecture and Design Convention & Exposition. Lecture titled: Building Performance Evaluation.
- * November 1998, Guest Lecturer, Department of Architecture, Kuwait University, Presentation titled: Introduction to Architectural Design and Architecture in the UAE.
- * March 1998, Dubai Municipality Presentations, Lecture titled: Value and Preservation of Architectural Heritage in Dubai, United Arab Emirates.
- * October 1993, International Housing Day, U. A. E. Association of Engineers, Under the Supervision of The Ministry of Housing, United Arab Emirates. Lecture presented titled: Post Occupancy Evaluation Research.

Research Grants

- * **June 2011 to June 2012. Principal Investigator of a research grant from Qatar National Research Funds titled "Understanding Energy Consumption Behavior in Higher Educational Facilities" (UREP 10 - 040 - 6 – 003).**
- * October 2010 to March 2011. Principal Investigator of a research grant from Qatar University, Office of Academic Research. Research titled: "The Impact of Economic, Social and Cultural Dynamic Changes on the Transformation of the Built Environment in Qatar since WWII".
- * November 2005 to February 2007. Principal Investigator of a research grant from the Research Council of the Kuwait University. Research titled: "Architecture and Identity in Kuwait". Final research report submitted February 14, 2007.
- * March 1998, Principal Investigator of a research grant from the Research Council of the United Arab Emirates University. Research titled: "Building Performance Evaluation (BPE) at the Global Level- Toward Standardized Methodology & Comparative Analysis- International Consortium on BPE Research".
- * April 1994, Principal Investigator of a research grant from the Research Council of the United Arab Emirates University. Research titled: "Post Occupancy Evaluation of Elementary Schools, Al Ain City, United Arab Emirates".
- * June 1992, Assistant Investigator of a research grant from the Technological and Scientific Research Academy, Construction and Housing Research Division. Research titled: "Evaluation of the Urban Experiences of Cairo Suburbs and their impact on Cairo Downtown- Case study: Heliopolis and Awkaf city"

Training Course

Trainer:

* **“Professional Engineer Exam Training Course – Architecture” A training course offered regularly 4 times per year since 2002 by Office of Career Development and consultation at Kuwait University to Kuwait Society of Engineers.**

* November 2009, “Design Management”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* November 2008, “Design Management”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* March 2008, “Building Performance Evaluation and User Satisfaction”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* January 2008, “Design Management”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* March 2007, “Principles of Buildings Planning and Design”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* February 2007, “Design Management”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* December 2006, “Smart Buildings”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* November 2006, “Projects Programs & Technical Reports”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* November 2005, “Projects Programs & Technical Reports”, OCCD Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* May 2000, "Post Occupancy Evaluation", Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

* October 2002, “Internet Skills in the Work Environment for Architects and Engineers, Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University

Trainee:

* **April 2011, "Course Design and Assessment of Learning Outcomes", April 24, 2011 - 02:00 PM to 5:00 PM.**

* March 2011, "Course Design and Learning Outcomes Assessment: 3rd - 5th sessions: Assessing learning outcomes", March 9, 2011 - 9:00 AM to 12:30 PM.

* January 2011, “Beyond The Conventional: Offering QU Students Multiple Learning Opportunities”, January 19, 2011 - 10:30 AM to 11:30 AM

* January 2011, “Improving student learning through research”, January 19, 2011 - 11:40 AM to 01:00 PM

* November 2010, “Using Blackboard 9 - Advanced Level”, Office of Faculty and Instructional Development, Qatar University.

* November 2010, “Using Blackboard 9 - Intermediate Level”, Office of Faculty and Instructional Development, Qatar University.

* October 2010, “Preparing Course Portfolio”, Office of Faculty and Instructional Development, Qatar University.

* October 2010, “Using Blackboard 9 - Basic Level”, Office of Faculty and Instructional Development, Qatar University.

* April 2006, “Advanced Level E-Learning Workshop to Enhance Online Courses Using E-Learning Tools”, Office of Consultation and Career Development, College of Engineering and Petroleum, Kuwait University.

* December 2005, “Introductory Level E-Learning Workshop to Enhance Online Courses Using E-Learning Tools”, Office of Consultation and Career Development, College of Engineering and Petroleum, Kuwait University.

* October 2002, “Outcome-Based Course and Classroom Assessment”, ", Office of Consultation and Career Development, Office of Consultation and Career Development Training Program, College of Engineering and Petroleum, Kuwait University.

COMMUNITY SERVICES

Qatar University

* 2010 – Date: Member of the New College of Engineering Building Committee, Qatar University.

* 2010 – Date: Member of Quality Assurance Committee, College of engineering, Qatar University.

* 2010, Member of the Research Committee, College of engineering, Qatar University.

Kuwait University

* 2010, Coordinator of “Kuwait Foundation for the Advancement of Sciences Search Committee” – Arab and Islamic Scientific Heritage - Architecture area.

* 2009, Member of the Executive Office for the establishment of College of Architecture, Kuwait University.

* 2009, Member of the committee for the establishment of New Governmental Universities in Kuwait.

* 2009, Member of the committee for the establishment of a College of Architecture and Design, Kuwait University.

* 2004 onward, Council of Private Universities, Member of the Technical Committee.

* 2000 onward, OCCD - Professional Examination for Kuwait Society of Engineers

* 2000 onward, Department of Architecture – Design Courses Committee

* 2002 to 2008, Consultant for the Office of Vice President for Planning, University Campus Master Planning Committee.

* 2005, Department of Architecture – OCCD Committee.

* 2001-2003, College of Engineering, Space Utilization Committee

* 1999 - 2006, Department of Architecture - Program Development and Capstone Courses

* 1999-2000, Department of Architecture - Academic Events Committee

● **UAE University**

* Engineer's Day and Magazine Committee (4 terms)

* Department Committees: Books and Brochure Committee (1 term) - Students' Activities Committee (1 term) - * Students Advising (continuous activity) - Preparation of Teaching Schedules (2 semesters)

* Supervise Students Practical Training (5 terms)

* Financial and Yearly Reports

* Assessment of Department's Personnel and Equipment needs (continuous activity)

* Department of Architecture Curricula Development

● **Special Assignments for Professional and Academic Organizations**

* April 2009, Country Coordinator for the Aga Khan Award for Architecture (AKAA).

* May 2001, Member of The Professional Engineer Committee, Kuwait Society of Engineers, Kuwait.

* December 1999, Future Schools for Kuwait Committee, Kuwait Ministry of Education, Kuwait.

* May 1997, Jury Member, Development of Clock Tower Square, Municipality of Al Ain, UAE.

* September 1996, Competition Jury Member, Public Housing Development in Al Ain City, Town Planning Department, Al Ain, United Arab Emirates.

* June 1995, Competition Jury Member, The UAE National Museum, Town Planning Department, Al Ain, UAE.

* June 1994, Competition Jury Member, Police Headquarters in Abu Dhabi, Custom and Services Building in Al Ain, Department of Public Works, Abu Dhabi, United Arab Emirates.

PROFESSIONAL PRACTICE

* Participated as Consultant Architect for several private and public institutions as jury member, design submissions reviewer, selection of international consultants, value engineering workshops, preparation of design briefs and visions, schematic design, working drawings and construction supervision.

Examples of assignments included:

* 2010 to 2011: Consultant, Qatari Diar, Doha, Qatar, Concept Report on Developing a Mechanism for a QD International Award in Architecture and Urbanism.

* 2002 to 2009, Consultant for the Office of Vice President for Planning, University Campus Master Planning. Assignments included selection of international consultants for the development of Master Plan for the New University Campus in Shdidadiyah, review of Master Plan phases submissions, and preparation of studies, cost estimates and project implementation alternatives.

* 2004 to 2010, Private Universities Council, Private Universities Facilities Evaluation Committee. Assignments included review of private universities facilities designs, preparation of design and planning guidelines, and evaluation of existing facilities.

* 1990 to 1993, Architect, Commissioned to design several projects in Egypt: Touristic Villages, Industrial Factories, Residential, Schools, Shopping Centers, and Public Buildings. (See list of selected projects.)

- * 1980 to 1984, Architect and Partner "The Egyptian Designers", An Architectural and Urban Design Firm, Cairo, Egypt. Project architect and team member in design and supervision of a variety of projects: residential, recreational, commercial, multi-use, and industrial. Responsibilities included negotiation with clients, contact specialized engineers, management of office administrative affairs, and preparation of drawings, specifications and bid documents. (See list of selected projects.)
- * 1978 to 1980, Architect, Participated in the design of several projects in architectural firms in Cairo, Egypt with several architectural firms.
- * 2000 to 2010, OCCD - Professional Examination for Kuwait Society of Engineers. Assignments included preparation and procurement of Professional Engineer Architectural exams and training course.
- * May 2001, Member of The Professional Engineer Committee, Kuwait Society of Engineers, Kuwait. Assignments included preparation and review of Professional Engineer bylaws.
- * December 1999, Future Schools for Kuwait Committee, Kuwait Ministry of Education, Kuwait. Assignments included development of future schools in Kuwait vision and recommendations.
- * September 1996, Competition Jury Member, Public Housing Development in Al Ain City, Town Planning Department, Al Ain, United Arab Emirates.
- * June 1995, Competition Jury Member, The UAE National Museum, Town Planning Department, Al Ain, UAE.
- * June 1994, Competition Jury Member, Police Headquarters in Abu Dhabi, Department of Public Works, Abu Dhabi, United Arab Emirates.
- * May 1994, Competition Jury Member, Custom and Services Building in Al Ain, Department of Public Works, Abu Dhabi, United Arab Emirates.
- * January 1993, Consultant, Educational Buildings Organization, Cairo, Egypt. Assignment included review of schools design and development of prototypes.

Samples of Architectural Projects

- * 1992 Arma Food industries Factory (492,000 sq. M.), 10th of Ramadan City , Egypt. Large factory for oil and shortening production composed of several industrial buildings and facilities.
